Early Release of Campers

Parents have entrusted us with their most precious possession---their children. We must do all we can to provide them the best care while they are our responsibility. This includes ensuring that campers, who leave SLM early, depart with an authorized person. If your camper, will be leaving SLM before the end of his/her camp session, it is SLM's policy that you complete and return the below form. If you have questions, please contact SLM: 507-763-3567 or slbc@frontiernet.net .
